

## Quality Power Electrical Equipments

### Company Information

Incorporated in 2001, Quality Power Electrical Equipments Limited is engaged in the business of energy transition equipment and power technologies. The company provides high-voltage electrical equipment and solutions for grid connectivity and energy transition, specializing in power products across generation, transmission, distribution, and automation sectors. The company manufactures critical high-voltage equipment for High Voltage Direct Current (HVDC) and Flexible AC Transmission Systems (FACTS) networks, enabling energy transition from renewable sources to power grids. With over 20 years of experience, the company offers reactors, transformers, converters, and grid interconnection solutions globally. The company operates manufacturing facilities in Sangli, Maharashtra, and Aluva, Kerala. In 2011, it acquired 51% of Endoks, a Turkey-based subsidiary with design, assembly, and project management capabilities. As of March 31, 2024, the company had 210 customers, including power utilities, power industries, and renewable energy entities. Product Portfolio: Power Product: Reactors, Line Traps, Transformers, Instrument Transformers, Line Tuners, Metal Enclosed Capacitor Bank, Composites. Power Quality Systems: Static VAR compensators, STATCOM's, Harmonic Filters, Capacitor Banks, Shunt Reactors. **Competative Strength: 1)** Global energy transition and power technology player catering to diverse industry segments and poised to benefit out of global shift towards decarbonisation and adoption of renewable energy 2) Demonstrated track record of growth and financial performance 3) Diversified customer base of global businesses with long lasting relationships 4) Comprehensive product portfolio in the energy transition equipment and power technologies sector in India and abroad with high trade barriers 5) Demonstrated record of strategic acquisitions along with enhanced order book contributing to growth 6) Research and development capabilities to offer future ready solutions 7) Management team with domain experience

Quality Power Electrical Equipments Limited	
Face Value	₹ 1 per share
Price Band	₹401 to ₹425 per share
Lot Size	26 Shares
Total Issue Size	2,02,04,618 shares (aggregating up to ₹858.70 Cr)
Listing At	BSE, NSE
Registrar	Link Intime India Private Ltd
Basis of Allotment	Wednesday, February 19, 2025
Initiation of Refunds	Thursday, February 20, 2025
Listing Date	Friday, February 21, 2025

**The Application amount upto Rs.5 Lakh, shall only use UPI for the purpose of blocking of funds**
