

BLS Polymers

Company Information

BLS Polymers Ltd. manufactures specialised polymer compounds used in wires, cables and underground pipelines. Its products include HDPE, MDPE, LLDPE, XLPE, PVC, HFFR, cable filling compounds and adhesive coating compounds, catering to industries such as power, telecommunications, railways, water, and oil and gas. The company operates a manufacturing facility in Goa, spread across approximately 24,220 sq. metres and equipped with 11 machines. It has an in-house laboratory, a quality control team and ISO 9001:2015 certification. The company also develops customised products to meet specific customer requirements. BLS Polymers serves more than 190 customers and exports its products to countries including Bangladesh, Egypt, Saudi Arabia, the UAE, the USA and Zambia. Its proximity to Mormugao Port supports the import of raw materials and export of finished products.

Competitive Strengths

- **Government Approvals:** Enlisted with prominent government agencies with a pre-approved product portfolio.
- **Diversified Product Portfolio:** Caters to multiple industries with specialised polymer compounds.
- **Established Customer Relationships:** More than 100 customers have been associated with the company for over three years.
- **Wide Market Presence:** Serves customers across India and international markets.
- **Product Development Capabilities:** Develops customised polymer compounds to meet specific industry and customer requirements.
